Carl, would you add a paragraph on outside interest such as correspondence received on the reproposal ie congress, legislature, etc.. Also, include FOIA and the latest on this effort.

Folks,

Attached is the example template that HQ's would like us to use for our Hot Topics discussion for Bob P's potential visit next week. If each of you would send me your part, I will consolidate them into one paper. **These are due to me by 10:00 Thurs morning.**

The Hot Topics will be presented at the SLT meeting with Bob – agenda in development. No date for his visit has been establish yet, but they are looking at 12 or 13 Nov.

Thanks in advance.

Mike
